ATTEND TO YOUR COLDS -A case of five years' anding oured by DR. KEYSER'S PECTORAL SYRUE.

DR. KEYSER:—My wife has been afflicted with a bad cugh and difficulty of breathing, for five or six years, which, for several years back, had gradually increased to rivielence. The compitaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her care. I procured some of your rectoral Cough Syrup. I bought, the first time, a filly cent buttle, which relieved her very much; I then carled and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and c ugh. The medicine cured me by tak tog one dose. I express my cattre satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fith Ward.

Privaturen, Nov. 18, 1838.

Dr. Kever:—Although not an advocate of Patent Medicines, in general, it afords me pleasure indescribe bie to recommend your Petersal Syrup. As a medicine it is well worthy the attention of any person who may in any manner he afflicted with coughs, colds and heareness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a server cell. moving all that disagreeous substatos actually averaged.

I have been, more or less, in my life, affected with the severat of colds and hearseness. At times my throat would become so cheed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me cotirety.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONE 5.

Cashier Citizens' Deposit Bank.

I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say it is the best medicine for the same that I have ever taken.

J. W. PRIOM.

COL. PRATT AND DR. REYBER'S PECTORAL SYRUP.—Da. Kryske—Dear Sir: Excuse the delay of my acknowledging the excellence of your Fectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with I have not use: more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fairs a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I sm conquack medicine." I would not suffer another such an attack for any consideration, or at any cost. I sm condident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my dame in this regard, as you think proper E. F. PRATT, Messenger Common Council, Pittsburgh, Pa. Pittsburgh, May 11, 1859.

PITTERURGE. April 24, 1837,
READ THE TRUTH.—DR. REVER: I have a daughter who has taken several medicines for a used cough,
without benefit—mong them Ayer's Cherry Pectorsi.—
I purchased from you a bottle of your PEOTOBAL

relieved. The second bottle cured her snirtely of her
cough.

A GREAT CURE BY DR. KEYSER'S PECTORAL A GREAT CURE BY DR. KEYSER'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced asout the 4th of February last, and conlinued eight months, I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle II. was entirely free from the coughing and splitting. I had despaired of ever getting well, and I think it should be known that this valuable renedy will de for others what it has done it my case.

Witness—B. M. Kers.—Peobles townhip.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time sgo, an old neighbor of mine was very ill with a bed cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without tenefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Byrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about sightly years old. I have no doubt the Pectoral saved his life.

JOHEN GINNIB.

DR. KEYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valu-able "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles hast week, and as-now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsvi ie. Pa, tell us they would not be without it in their families. In fact, all who use it once want it sgain. Yours, respectfully.

ANOTHER NEW CERTIFICATE—DE. KEYSEE'S
PECTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I sould not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I confirm the but do
not do so. I finally procured a bottle of year Pectoral
Syrup, which oured me entirely. Signed.

"STOP THAT COUGHING."—How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloque one hears almost every day in cold catching periods of the year. And we can from actual experiment, observed it could be a speciment of the colloque, the second to the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case. With entire success Near two weeks ago we went to Pittaburgh, with one of the most distressing, contrary, malsh, the subdanble coughs we experienced since our advant upon this mundance aphere. We coughed steadily and laboriously for one whole week, in hopes of thring if out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength postency and distressibility by the operation. In this sagaof the siege, we can phet our way to Keyser's, 140 Wood St.—procupied aftire and bridtle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but onequal conflict with so formitable am adversary as Keyser's famous "Cough Pectoral."—Drowneville Chipper, Dec. 14, 1859.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerming public of its superior qualities over any other preparation in use. It eleanese the head and scalp from dandrulf and other enthaneous diseases, causing the hair to grow inxuriantly, giving it a rich, soft, glossy and fiexible appearance, and also, where the hair is loosening and thinning, it will give atrength and vigor to the roots and restore the growth to hose parts which have become hald, causing it to yield a rest covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest restectsbility. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator with with certainty restore it to it to its original hue, giving it a dark, glossy appearance.
